LIVING MATTER, REAL EMOTIONS

# Glam wood

Wood in the guise of porcelain stoneware, designed for impeccable combinations with the most glamorous and trendy interior design colours.

# Living green

Nature bursts into the house with Oakwood Gold, a ceramic wood that leads back to the origins and is indistinguishable from genuine oak, ready to create re-generating landscapes indoors.

Oakwood satisfies our intimate de-sire to be in tune with nature. Living matter that on porcelain stoneware expresses the power of wood pulsating with life force, in marvellous shades of Gold.

# Everyday luxury

The everyday luxury of nature contact, together with the performance of a technical material like stoneware, ensuring charm, practical appeal, safety and resistance at all times.

The beauty of Oakwood Taupe envelops the technological core of the high performance, sustainable and resistant stoneware tiles like a cloak, creating an ideal combination of style and comfort for the kitchen.

# Poems on wood

Oakwood Taupe is a wood with a soul. Knots and grains patterns mark the living spaces with a slower rhythm, providing the perfect environment for an inspirational and creative journey.

# An outdoor dream come true

Oakwood Taupe Out makes outdoor furnishing dreams come true with the wonder of a wood that does not wear out and perfect finishes thanks to the special trims and L-shaped elements.

# Open-air design

Oakwood is the definitive collection for connecting living spaces. The striking vitality of wood on the interior matches perfectly with the reliability of stoneware on the outdoor, like a single deep breath of great beauty.

# Sweet dream is made of this

The soft surfaces of Oakwood Honey, running with impeccable linearity from the floor up to the boiserie, donate a both natural and con-temporary embrace to the room of your dreams.
